

Paso Robles 2024

April 15 - 20, 2024

San Luis Obispo, Adelaida, Templeton Gap, Willow Creek,
Creston, and Cambria

Paso is simply great fun and an eclectic experience. It changes people's perceptions, not only about California wines, but about the wine travel experience versus just wine tasting. This will be our third trip to Paso.

We have built intimate relationships with some of the best winemakers in the region, going

beyond the wineries everyone knows to take a deeper dive with the next generation of winemakers. These dedicated folks are transforming and enhancing

the reputation of California wines by clearly defining what Central Coast winemaking is all about... and why it is a unique, even daring expression that goes beyond the expectations of so many wine and food enthusiasts.

For our guests, Paso has been an excellent introduction to wine travel with World Wine Destinations. This trip clearly demonstrates the difference between wine tasting and wine travel. Several of our Paso guests have gone on to join our Portugal and South Africa international trips.
