

WORLD WINE  
DESTINATIONS

# Portugal 2024

May 6 – 17, 2024

---

Lisbon, Torre Viedras, Coimbra, Douro Valley, Porto, and Evora

---

Portugal is an odyssey. It's a journey through a nation built on a maritime heritage that opened Europe to the rest of the world. Its culture is steeped in traditions that influence countries in every hemisphere, even today. And the icons of that

history across the centuries, including its beautiful language, have been preserved.

Portugal is a destination we've truly enjoyed. The wines are brilliant. The food

READ ON...

is beautifully designed around the wine culture, shaping a way of life that literally drips from hillside vineyards along the Douro River. The same is true for the other regions we explore. The people are gracious and engaging.

The array of wines is not only unexpected, but transformative. The variety and style of Portuguese wine, including its world renowned port, goes beyond the expected.

Visiting Portugal with WWD is a fun, eye-opening experience on several levels. You'll understand why your friends have been flocking to Portugal for the last couple of years.
