# South Africa 2024

August 28 – September 8, 2024

---

Cape Town, Cape Point, and the Wine Regions of Constantia, Franschhoek, Robertson, Stellenbosch, and Walker Bay, plus Botlierskop Private Game Reserve

---

Africa is one of those exotic places that so many people dream about, but few ever seem to get there. However, for those passionate about exploring the world's great wine-producing regions, South Africa is a must-taste destination.

We're returning in 2024 for our fifth trip to the Western Cape and the Cape Winelands. Our winery visits are in Constantia, Franschhoek, Robertson, Stellenbosch, and Walker Bay – a myriad of world-famous wineries and small, family operations – all producing fine wines of exceptional quality.

We stay in charming boutique hotels in these regions' historic towns and vineyards. There are private wine tastings, casual meals, and fine dining in some of the world's top restaurants. And always, our meals and travel are accompanied by selections of beautiful local wines.

READ ON...

This trip includes the absolute indulgence of glamping on a large private game reserve, with multiple ranger-guided game drives in classic safari vehicles. The Big Five roam, hunt, and breed in this expansive reserve. During the game drives, you'll be in pulse-quickenning proximity to many of them.

We traverse both sides of the Cape Peninsula, visiting Cape Point, where the Atlantic and Indian Oceans meet.

We visit the penguins on Boulders Beach and enjoy some breathtaking scenic beauty all along the way.

The Western Cape's incredible people, beautiful towns, and superb food are all part of the vivid cultural tapestry that delights our guests. Add in South Africa's wildlife, and the experience simply can't be replicated anywhere else in the world.

World Wine Destinations has been introducing guests to the South African Winelands since 2019. We make South Africa an easy, accessible, and memorable way to experience an incredible country. It is one of the most extraordinary, all-encompassing wine travel experiences we offer.
